

A plurality of homeowners on private roads believes private roads are in worse condition than public roads.

Do you think the private roads that service your home are generally in better condition, worse condition, or about the same condition as roads that the City owns and manages?

Condition Compared to Public Roads	HOA	Non-HOA
Better condition	37%	15%
Worse condition	23%	57%
About the same condition	37%	23%
Don't know	4%	5%
